Q: What is AGA?

A: The Association of Government Accountants (AGA) supports the careers and professional development of government finance professionals working in federal, state and local governments as well as the private sector and academia. Founded in 1950, AGA enjoys a long history as the thought leader for the government accountability profession. Through education, research, publications, certification and conferences, AGA reaches thousands of professionals and offers more than 100,000 continuing professional education (CPE) hours annually.

Q: Who can be a member of AGA?

A: If your field is government financial management—no matter your specialization or where you work—AGA membership is invaluable. AGA is the only association supporting more than 15,000 professionals working in federal, state and local governments as well as the private, nonprofit and academic sectors. AGA membership will give you the tools and support you need to make your mark on the profession.
